

Legend Series

Smarter.
Brighter. Greener.

Outdoor Fixed Installation Product

- **Anti-bump Design**
The Anti-bump design at the bottom of the cabinet can protect the LED from collision.
- **Flexible Location for Modules**
The same module can be placed on any corner of the cabinet.
- **Easy Maintenance**
Both the module & the power box can be taken out from the front.
- **Multiple Installation Ways**
The curve can be both concave and convex.

The perfect LED solution for:

Hospitality | Schools | Sports Stadiums |
Entertainment Venues | Retail | Manufacturing

The module can be placed in any corner of the cabinet

Power box can be removed very easily

The curve can be both concave and convex

The module can be fixed with both magnets and screws

Anti-bump design at the bottom of the cabinet to protect the modules

Both the module and power box can be taken out from the front

The handle can be used as a ladder
